DOTTIE COOK MEMORIAL

Oakland, March 24.—The dedi-
catory exercises of Dottie Cooke
Annex to the Fabiola Hospital
will be held on Friday, March 31,
and the ladies of the association
are making elaborate preparations
for the event. The Dottie Cooke
Annex was erected and presented to
Fabiola by Mrs. H. E. Cooke in
memory of her daughter, Dottie,
whose story is a most pathetic
one. While at school in New
York State she was taken ill and
was brought to her home in this
city, where she passed away a
few weeks after her arrival. It
was the ambition of the child that
life might be spared her so that
she could help sick children.

The program for the Friday
exercises includes a few words of
welcome by the president of the
Fabiola Hospital Association,
Mrs. John Yule. Other speakers
of the occasion are to be Hon.
William R. Davis, T. L. Barker,
Miss Sarah Horton and the Rev.
J. K. McLean. The musical
program is in charge of Mrs.
Montague Turner.

ANOTHER SPANISH-AMERICAN.

Gunboat Baracoa Is Added to Uncle
Sam's Navy.

Washington, March 23.—The
Navy Department is gratified to
learn that its representatives, who
have been working for some time
in the vicinity of Santiago and
Guantanamo, have succeeded in
adding another vessel to the
American navy in the shape of the
gunboat Baracoa.

The Baracoa was one of the
Spanish gunboats sunk near
Guantanamo. She is a useful
type of vessel and is larger than
the gunboats Sandoval and Alva-
rado, now at the Washington
Navy Yard. The Baracoa is of
steel, 114 feet 9 inches long, 16
feet 5 inches beam and 8 feet 2
inches draft. Her displacement is
135 tons, and with 220 horse-
power she is able to make ten
knots. She carries one Honotaria
gun of 3.5 inches, one of 2.5
inches and two machine guns.

The Navy Department is still
waiting to hear from the Swedish
company which has undertaken to
raise the Cristobal Colon. The
company's expert engineers enter-
tained no doubt of their ability to
raise the ship.

PANAMA CANAL ACTIVE.

New York, March 24.—A dis-
patch to the Herald from Panama
says:

There is great activity in canal
circles here. Work on the isthmus
is still progressing, but with a
comparatively small force.

Agents of the company will
leave tomorrow for Jamaica to en-
deavor to arrange a government
contract for more laborers. High
hopes are entertained that the Am-
ericans will take over the canal.

Fertilizer Companies Combine.

New York, March 24.—It is re-
ported in Newark that the manu-
facturers and fertilizers are about
to effect a combination. Those
interested in the movement are
M. L. Shoemaker & Co., I. P.
Thomas and Sharless & Carpenter
of Philadelphia, Bowker & Co. of
Boston, the Preston Fertilizer
Company of New York; Bradley
Fertilizing Company of Philadel-
phia and Boston and the Broker
Fertilizer Company of Buffalo.

Sherman Steadily Improving

Santiago De Cuba, March 23.—
Mr. Sherman is feeling very much
better this evening and his physi-
cians regard his condition as very
much improved. During the after-
noon he sat on the deck of the
Paris, viewing Santiago. The
United States cruiser Chicago is
expected here by daybreak tomor-
row, and Mr. Sherman will be
immediately transferred to her.
The anxiety of his relatives on the
Paris is virtually at an end.

Nicely furnished rooms at the
Popular House, 154 Fort street,
from \$1.00 per week up.

From all over the country, come
words of praise for Chamberlain's
Cough Remedy. Here is a sample
letter from Mrs. C. Shep. of Little
Rock, Ark.: "I was suffering
from a very severe cold, when I
read of the cures that had been
effected by Chamberlain's Cough
Remedy. I concluded to give it a
trial and accordingly procured a
bottle. It gave me prompt relief,
and I have the best reason for
recommending it very highly,
which I do with pleasure." For
sale by all dealers. Benson,
Smith & Co., General Agents. *
